

Foundation Guide

Preparation, progression and timeline planning before undergraduate study

Who Is It For?

- Students who need a bridge after high school before direct undergraduate entry.
- Candidates who want to strengthen academic English and subject preparation together.

Program Structure

- Business, engineering, social sciences and health sciences routes are compared.
- University progression conditions are reviewed before choosing the program.

Planning

- GPA, English level and target major are analyzed together.
- Application, offer, payment and visa dates are kept in one calendar.
