

Language School Guide

A practical summary for duration, level, city and accommodation choices

Program Choice

- Define the goal as General English, IELTS or Academic English.
- Consider weekly lesson intensity together with duration and budget.

City and Accommodation

- Compare living cost, transport and social environment.
- Plan homestay, residence or student house options around the start date.

Preparation

- Check placement test and passport validity.
- Complete visa and payment timeline before the school start.
